

Metal Enclosure Box

Galvanized Steel Enclosure Box

CCM metal enclosure boxes are made from high-quality galvanized steel, double folded at the front and back welded to the frame, and coated both internally and externally with polyester epoxy resin grey paint RAL-7032. CCM enclosure boxes are rated IP66, providing exceptional resistance in the most extreme weather conditions and environments. Complete range of accessories included and multiple sizes available to cater to a wide variety of applications.

- IP66 protection rating
- Easy mounting with integrated wall-mount system
- Key lock for additional security with an IP rated cap that provides water resistance when mounted outdoor
- Grounding cable from door to enclosure

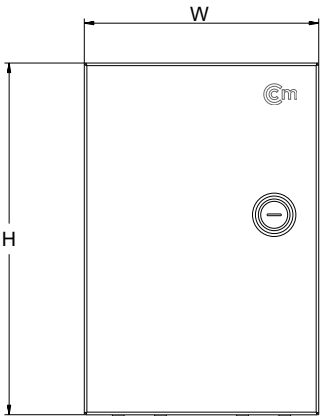

Accessories included:

- 4pcs M8*16 Bolt
- 4pcs M8 Washer
- 4pcs M8 Spring Washer
- 4pcs M8 Nut
- 4pcs Wall Mounting Brackets
- 1 pair of key
- Replacement key available (ENMKC.CCM)
