

MK Aria

Honeywell

Elegance
has no borders

Bring your imagination to light

Discover our new range of frameless wiring devices that helps upgrade each room with style and functionality. In line with the latest trends of borderless design and contemporary finishes, MK Aria is the perfect fit for any hospitality, residential, or commercial project.

Sophisticated simplicity in every home

Available in five contemporary colors and finishes, MK Aria frameless wiring devices are suited for all interior design themes, adding a touch of subtle elegance to every room.

Designed for a delightful guest experience

MK Aria features stylish designs and incorporates the latest USB technologies with A+C sockets and individual modules – eliminating the need to carry multiple adaptors when traveling.

MK Aria highlights

Design flexibility

Switch up your style with cost-saving customization. Change the color and finish of the cover plate without the time and cost of replacing the entire switch.

Multi-ganging feature

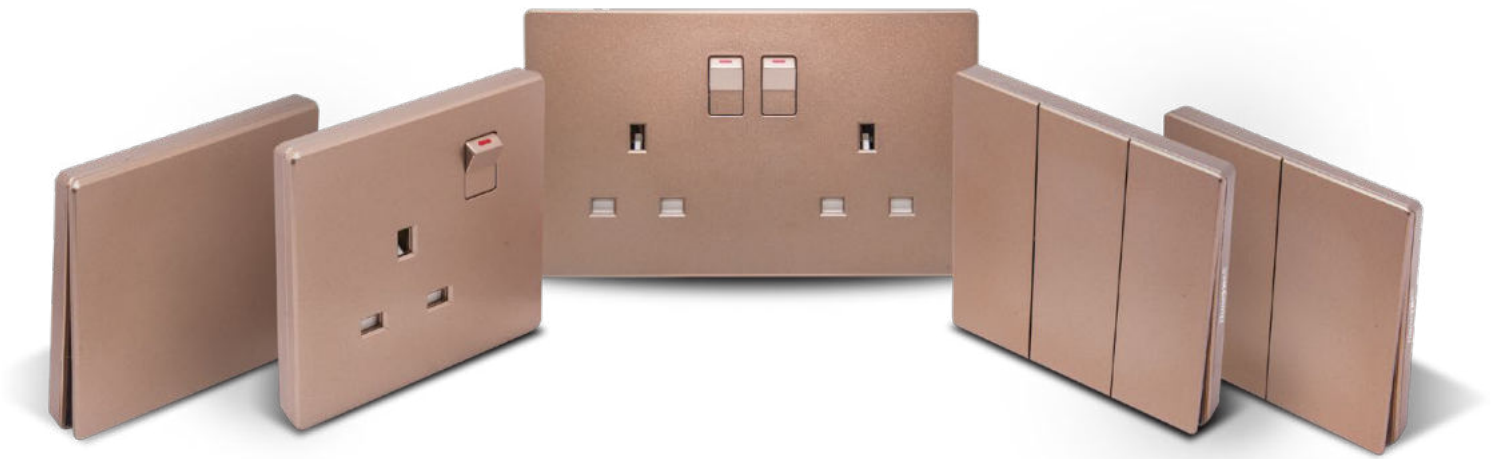

Mix and match functions with multi-gang frames that empower you to customize products as needed.

Integrated USB-socket with fast charging

No more adaptors when traveling, no more wasted time. Our devices come with a combination of A+C sockets and individual modules.

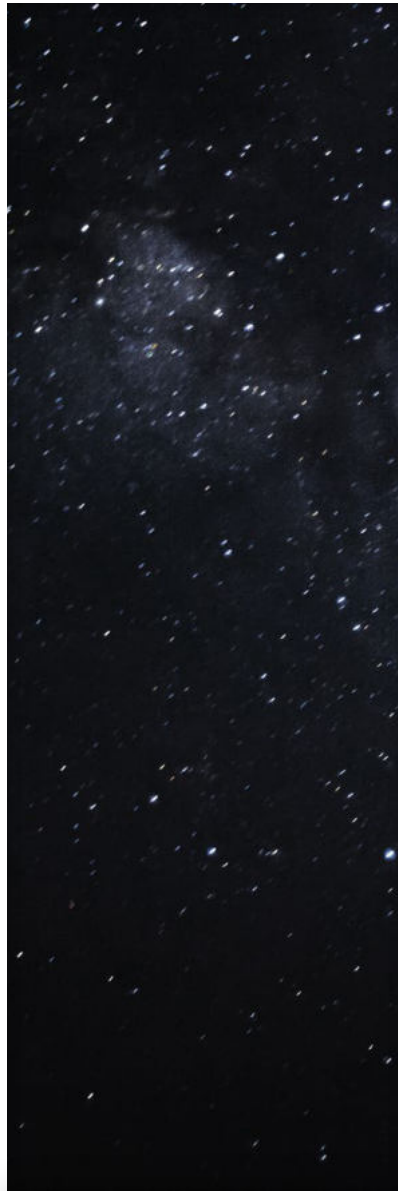

A full range of frameless wiring device configurations

- Switches
- Switch Socket Outlets
- Socket Outlets
- Connection Units
- High Current DP Switches
- Euro Modules
- Multi-gang Frames
- Blank Plates
- Shaver Sockets
- Front Plates

The true colors of elegance

White

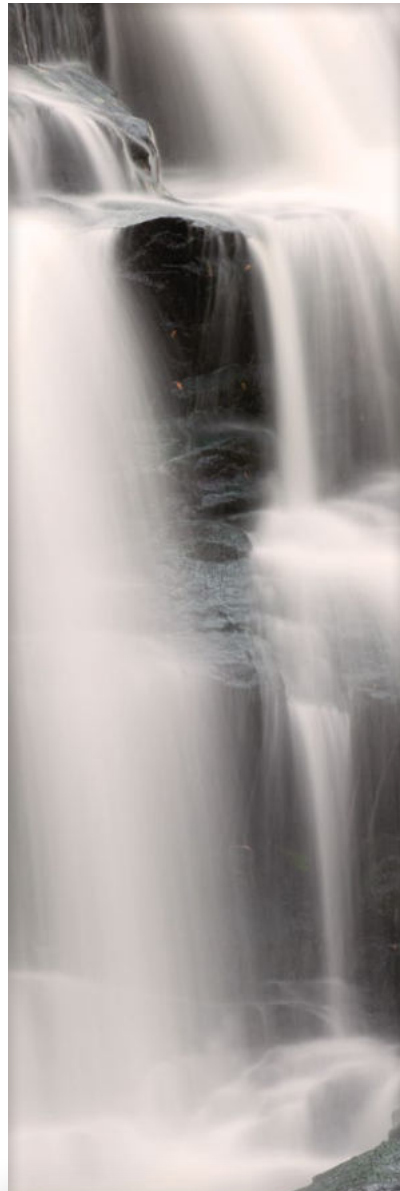

Space Black

Rose Gold

With frameless, minimal geometry and an array of colors and finishes, including grey, black, and gold, MK Aria wiring devices blend in or stand out elegantly in any decor.
