Push the boundaries

A person's world is only as big as his heart. A person's home is only as good as his mind. Have a big heart, be open-minded, and push the boundaries, spiritually and physically, from the life space to the details that matter.

Pieno, a switch that pushes the boundaries, for the big-hearted and the open-minded.

Expansive but not hollow, simple with substance

Uncluttered design with a distinctive jumbo dolly and an overall slim profile, Pieno has pushed the boundaries of the switch design paradigm. Each dolly fills its space, reaching the edges like no other. The maximized space of the integrated faceplate has enlightened the clean and clutter-free design, and it seamlessly fits into any space. Bold straight lines accented by small curves bring sleekness to the muscular design. Pieno is yet another switch to aspire to among the wide spectrum of Schneider Electric design excellence.

Slim rocker, sure click

Conceived as the perfect combination between form and function, Pieno presents an overall slim profile despite the jumbo dolly, thanks to the innovative SS Mechanism. The 3-degree short throw switching angle is half that of the conventional rocker-type switch, confirming Pieno's status as the "Slim Rocker." The flutter-free switching reduces vibration and sparks, and the switch is operated by a softer press, which delivers a "Sure Click" plus improved durability and reliability.

Picture perfect, photo instant

PerfectFace® Switch Architecture consists of two patented designs that bring unprecedented integrity to the moving parts in rocker-type switches. The dollies and surround are integrated into one piece, removing one installation step while keeping a consistent distance and perfect alignment between dollies and surround. The grid plate is uniquely designed to contour to the wall, minimizing gaps between the switch and an uneven wall after installation. Moreover, excessive paint on the mechanism can be totally covered by the integrated faceplate to maintain a perfect wall finish. PerfectFace Switch Architecture is the perfection of aesthetic value and installation efficiency.

White-on-white locator

The white-on-white locator merges seamlessly with the white dolly. Unobtrusive by day, the locator shines with a comforting glow in the darkness.

Circular base design

Pieno's circular base design can easily fit into the common 60 mm diameter wall opening for a faster and more convenient installation in false walls or furniture.

Top quality

Made of corrosion-resistant, heat-resistant, and impact-resistant polycarbonate.

IEC, BS, SS, MS, GB, CCC and/or IS compliant

All RoHS compliant

E82T25DN	13 A 250 V Twin gang double pole switched socket with neon and dual earth terminal
E82426_15	15 A 250 V 1 Gang 3 round pin socket
E8215_15	15 A 250 V 1 Gang 3 round pin switched socket
E8215_15N	15 A 250 V 1 Gang 3 round pin switched socket with neon
E8215_15N_RD	15 A 250 V 1 Gang 3 round pin switched socket with neon, full red
E82426_16S	16 A 250 V 1 Gang schuko socket

Connection and control units

E8231TB	25 A 250 V 1 Gang connection unit
E82554	45 A 250 V 1 Gang connection unit
E82T15D45N	45 A 250 V Double pole switch with neon + 13a switched socket with neon

Fused connection units

E8230FSG	13 A 250 V 1 Gang fused connection unit
E8230FSGN	13 A 250 V 1 Gang fused connection unit with neon
E8231DFSGN	13 A 250 V 1 Gang fused connection unit with double pole switch and neon

Telecommunication accessories

E8231TVM	1 Gang TV socket master, 75Ω 5 – 860 MHz
E8231TVS	1 Gang TV socket slave, 75Ω 5 – 860 MHz
E8231TV	1 Gang TV socket, 75Ω through-connection
E8232TV	2 Gang TV socket, 75Ω through-connection
E8231TVMF	1 Gang TV socket master, 5 – 1000 MHz, F connection
E8231TVSF	1 Gang TV socket slave, 5 – 1000 MHz, F connection
E8231TVF	1 Gang CATV socket
E8232TVF	2 Gang TV socket, F connection
E8232TVFMM	2 Gang TV master/FM socket
E8233SMATV	TV/FM/SAT TV socket, F connection, triangle arrangement
E8232TVRJS_5	1 Gang TV + RJ45 data outlet, category 5e, keystone on shuttered wallplate
E8232TVFRJS_5	1 Gang TV F connection + RJ45 data outlet, category 5e, keystone on shuttered wallplate
E8232TVRJS	1 Gang TV + RJ45 data outlet, keystone on shuttered wallplate (without module)
E8232TVFRJS	1 Gang TV F connection + RJ45 data outlet, keystone on shuttered wallplate (without module)
E8231RJS	1 Gang shuttered keystone wallplate (without module)
E8232RJS	2 Gang shuttered keystone wallplate (without module)
E82T32TVFMF	2 Gang TV/FM socket
E8231RJS4	1 Gang telephone socket, keystone on shuttered wallplate
E8232RJS4	2 Gang telephone socket, keystone on shuttered wallplate
E8231RJS_5	1 Gang RJ45 data outlet, category 5e, keystone on shuttered wallplate
E8232RJS_5	2 Gang RJ45 data outlet, category 5e, keystone on shuttered wallplate
E8232TDRJS_5	1 Gang telephone + RJ45 data outlet, category 5e, keystone on shuttered wallplate
E8231VC_5	5W volume control, 8Ω
E8231SC	Speaker connection, one pair
E8232SC	Speaker connection, two pairs
E8231RCA_S	RCA and S-video socket
E8233RGB	Component video socket
E8232HDUSB	HDMI and USB socket
E8232HD15PH	VGA and mini audio socket

Hotel accessories

E8231DMW	250 V Illuminated "Privacy", "Please Clean Up" & "Please Wait" symbols
E8231BPDWM	10 A 250 V 1 Gang bell switch with illuminated "Privacy", "Please Clean Up" & "Please Wait" symbols
E8231DS	16 AX 1 Gang switch with neon with "Privacy" symbol
E8231WS	16 AX 1 Gang switch with neon with "Please Wait" symbol
E8231CS	16 AX 1 Gang switch with neon with "Please Clean Up" symbol
E8233DMWS	16 AX 3 Gang switch with neon with "Privacy", "Please Clean Up" & "Please Wait" symbols
E8231EKT	16 A 250V Electronic key card switch with time delay
E82T727H	115 V/240 V Universal shaver unit, horizontal
E82T727V	115 V/240 V Universal shaver unit, vertical

Flush plates and accessories

E8230X	1 Gang blank plate
E8230TX	Twin gang blank plate
E8231X	1 Gang blank plate with 30 M hole
E8232X	2 Gang blank plate with 30 M hole

Night foot lamp

E8290FLW	Night foot lamp with LED illumination

About Schneider Electric

Schneider Electric is the global specialist in energy management and automation. With revenues of €25 billion in FY2014, our 170,000 employees serve customers in over 100 countries, helping them to manage their energy and process in ways that are safe, reliable, efficient and sustainable. From the simplest of switches to complex operational systems, our technology, software and services improve the way our customers manage and automate their operations. Our connected technologies reshape industries, transform cities and enrich lives.

At Schneider Electric, we call this **Life Is On**.
